

PROPOSED ISCA EXCURSIONS 2007

All these prices are indicative. The prices can be reduced if the number of people attending is higher. We have based the quote on average of 10 people except the Trip to Barrier Reef. So please let us know soon. Most of these Holidays are booked on special deals, so please ensure you are certain that you do wish to come on the trip, as refunds are possible.

As a company policy, we will only make bookings for flights once we have been paid in full for the excursion.

ISCA has no profit /mark up on these trips, the charges cover cost of each excursion and Travel and accommodation of ISCA staff. We will provide at least 1 adult per 10 students escort for all trips at our cost to ensure the safety of the students. Ratio will depend on risks involved in the excursion. Certain trips like the trips to Sydney, Barrier Reef and Red centre must be booked and confirmed early to confirm accommodation and flights (and lower prices). However, trips to Gold Coast, Moreton Island, and others can be organised at short notice as long as we have enough number of students attending.
